SPIRITUAL ADOPTION PROGRAM

DAY 1-Developing Baby—"I'm here!"

At the moment the father's sperm and mother's egg unite a new and unrepeatable human being comes into existence, complete with his own unique set of DNA. Although she is only one cell, everything about this little person is already present: color of eyes, blood type, the height she will grow to be, color of hair—everything! She will play a role in the family and her community—a role only she can play! Nothing is added after conception to make her a complete human being. She already exists; all she needs is nourishment, a safe, warm environment, and most of all—love. Her parents don't even know she exists yet. Pray for them to safely bring their baby to birth so she can fulfill the mission God has for her.
